

PROGRAM INFORMATION

Discover the game-changing experience of Big Time 7v7 football – your gateway to professional coaching, leadership development, and an immersive community steeped in the rich traditions of football. At Big Time Players, our unwavering dedication is to deliver a first-class journey for both players and their families. Here, athletes get the golden opportunity to unveil their skills on a national stage, facing off against the finest in their sport.

But it's not just about touchdowns and tackles – our program seamlessly integrates education with football. Players get the incredible chance to step onto the hallowed campuses of the nation's top universities. Think University of Southern California (USC), University of Nevada Las Vegas (UNLV), and Simon Fraser. These experiences are bound to ignite academic and athletic passions simultaneously.

And the adventures don't stop there. Our teams have embarked on thrilling journeys to iconic locations such as Los Angeles, CA, Seattle, WA, Portland, OR, Spokane, WA, Las Vegas, NV, Kelowna, BC, and Regina, SK. Each of our tightly-knit teams comprises 12 to 15 exceptional players, providing the perfect environment for coaching and camaraderie. Eligible players, aged 11 to 18, must be high school students, ready to take their skills to the next level.

Exciting times await as we gear up for the BTP Elite 7v7 2024 Schedule. Stay tuned for a season filled with opportunities, challenges, and unforgettable moments. The game is about to change, and you're invited to be a part of it

The 5-month football program deems to be the important facets of our elite program. Big Time 7on7 football should be a positive, memorable experience for all involved. Coach's goals are to provide players the opportunity to be the best football player they can be and compete on a national stage.

Pride

It is a privilege to be a member of the Big Time 7v7 football club. The time, effort, and energy we all spend in changing the culture and making our program a success is based on a strong conviction that football and an education will provide some of your greatest values and most rewarding moments. Take pride in everything you do as part of our program, for in football as in life, the success you enjoy will result from the effort you are willing to give to be successful. Big Time Player Football has committed to PRIDE and EXCELLENCE. Remember we are laying the foundation. Remember this every time you walk into the building, weight room, step on the field or wear B.T.P team gear. Remember you are setting the example for those who will follow in your footsteps. You are a Big Time Player all the time.

Expectations of Our Coaching Staff

Be a positive role model: always Carry yourself in a professional manner, on the field and in the community. Coach every player: Each player is putting in the time and effort to make the team better and it is the responsibility of the coach to help him improve his skills. As a coach we will help prepare players to achieve their greatest potential.

Purpose: To Build, Encourage and Motivate

PRACTICE

Repetition allows players of multiple skills positions from quarterback to defensive back to work on high repetition drills to hone their skills during the offseason. 7on7 is the perfect way to assure they are able to fine tune all these skills prior to the season. It allows players to work on their timing, chemistry, and in-game assignments against some opposition.
